## What can you do to help ICK?

---

The Islamic Center of Kent is centrally located in the City of Kent serving about 1,000 Muslim families living in the cities of Kent, Renton, Federal Way, Auburn and Tukwila. ICK has so far acquired 1.35 acres of land with two residential buildings with current capacity of about 200 Musullees. The ICK has undertaken a plan to build a new multi-purpose Masjid in the premise. Construction of the new Masjid complex is planned to be completed by 2017 and will increase capacity from existing 200 to 600 Musullees to provide varieties of services & facilities required by the growing number of Musullees in the locality. Implementation of the new Musullees in the locality. Implementation of the new Masjid complex will cost about \$4 to \$5 million.

ICK hopes to finance this expansion project by:

- ICK members contributions
- Hosting fund raising dinners
- Receiving generous donations from Muslims
- Borrowing money permitted under Islamic law.

**A pledge of just \$2.00 a day from 2,000 brothers and sisters over a period of 3 years will make this project successful Insha' Allah.**

The ICK looks forward to receiving generous donations from all Muslims. Donating money to build a Mosque for the sake of Allah is a Sadaqah Jariah meaning the reward will continue to reach the donor even after his/her death.
