## What can you do to help ICK?

The Islamic Center of Kent is centrally located in the City of Kent serving about 2000 Muslim families living in the cities of Kent, Renton, Federal Way, Auburn and Tukwila. To this day ICK has acquired 2.35 acres of land for the masjid complex and for the state-approved Islamic elementary and pre-school programs.

We currently use two old residential buildings that are capable of accomodating only 250 Musullees, despite regularly having over 400 Musullees at Jummah prayers.

The ICK has undertaken a plan to build a new multi purpose Masjid on the premises. Construction of the new Masjid complex is planned to be completed by 2022 and will increase the capacity from 250 to 600 Musullees. It will provide a variety of services & facilities required by the growing Muslim community in the locality. Implementation of the new Masjid complex will cost about \$5 to \$6 million.

ICK plans to finance these development project by:

- ICK members' contributions
- Hosting fund raising dinners
- Receiving generous donations from Muslims
- Borrowing money permitted under Islamic law.

**A pledge of just \$2.00 a day from 2,000 brothers and sisters over a period of 5 years will make this project successful Insha'Allah.**
